

Endless Shore

Aloha kākou, I'm so jazzed to announce the release of my 4th album entitled "**Endless Shore**". There are **10 original songs including 2 instrumentals**. This album encompasses **Alternative Folk, Blues, Country, and Latin percussion genres**. I sing lead and harmony vocals, play acoustic rhythm and lead guitar, harmonica, percussion instruments, congas, bongos, chimes, tambourine and other toys. The entire album was produced and engineered using an iMac, Logic Pro-X (DAW). The album trailer was created using Apple's iMovie software. Mahalo nui for supporting my music and promoting **World Peace, Love and Harmony!**
